## Skills

- Excellent in Adobe Creative Cloud programs.
- Excellent in art such as drawing with different mediums and digital character illustration.
- Functional in web design.
- Good with photography.
- Great in translation, interpreting and communicating.
- Fluent in English and Arabic, and moderate in French and Japanese.

## Summary

I am a passionate graphic designer, and an illustrator, and I love what I do. My goal is to help people turn ideas and thoughts into visual reality. I am looking for a position that would allow me to expand my knowledge and gain more experience.

## Work

### Graphic designer

Feb 2019 - Present

*CyberCube Analytics (San Francisco, CA)*

Design various marketing materials for including t-shirts and mugs.

- Sent several design options
- Communicated with vendors

*Commisions (Bay Area, Ca)*

Illustrating customized bookmarks.

### Interpreter

Feb 2018 - Jun 2018

*International Rescue Committee (Charlottesville, VA)*

By translating from English to Arabic, and vice versa, I was able to interact with a variety of people and refugees. The interpretation helped them to resettle and start a new life. I was happy to help them work and fit in the new society.

## Education

- **Las Positas Collage (California, US)**  
A.A. in Graphic Design

Jan 2020 - present

- **Ain Shams University (Cairo, Egypt)**  
B.A. in English Language and Literature

Sept 2013 - Jul 2017

- **Damascus University (Damascus, Syria)**  
B.A. in Computer Science

Sept 2011 - Dec 2012
